

Old Greek Stories (Paperback)

Filesize: 2.69 MB

Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

OLD GREEK STORIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. From the preface: "Perhaps no other stories have ever been told so often or listened to with so much pleasure as the classic tales of ancient Greece. For many ages they have been a source of delight to young people and old, to the ignorant and the learned, to all who love to hear about and contemplate things mysterious, beautiful, and grand. They have become so incorporated into our language and thought, and so interwoven with our literature, that we could not do away with them now if we would. They are a portion of our heritage from the distant past, and they form perhaps as important a part of our intellectual life as they did of that of the people among whom they originated. That many of these tales should be read by children at an early age no intelligent person will deny. Sufficient reason for this is to be found in the real pleasure that every child derives from their perusal: and in the preparation of this volume no other reason has been considered. I have here attempted to tell a few stories of Jupiter and his mighty company and of some of the old Greek heroes, simply as stories, nothing more. I have carefully avoided every suggestion of interpretation. Attempts at analysis and explanation will always prove fatal to a child's appreciation and enjoyment of such stories. To inculcate the idea that these tales are merely descriptions of certain natural phenomena expressed in narrative and poetic form, is to deprive them of their highest charm; it is like turning precious gold into utilitarian iron: it is changing a delightful romance into a dull scientific treatise. The wise teacher will take heed not...
